

**THE FOURTH SEEDI INTERNATIONAL CONFERENCE
DIGITIZATION OF CULTURAL AND SCIENTIFIC
HERITAGE**

June 12-15, 2008, Belgrade, Serbia

Conference location and Registration desk

Faculty of Mathematics, Studentski trg 16, Belgrade

On Wednesday and Thursday, participants should register at the Registration Desk at the Faculty. It will be opened on the following hours:

Wednesday, 11th of June, 5:00PM – 7:00PM

Thursday, 12th of June, 8:30AM – 9:30AM

TEI-workshop location (June 10-14)

Mathematical Institute, Kneza Mihaila 36, Belgrade

Conference fees

There are no conference fees.

Local Currency

The local currency in Serbia is DINAR, 1 € = 79-83 RSD.

Traveling from the Belgrade Airport 'Nikola Tesla' to your hotel

Using JAT Bus

The best way is to use JAT Airways buses. JAT Airways buses depart every hour and cost 160 RSD (ticket price should be written in the front of the bus). The ticket is valid only in that bus and for that ride. First you should change your money into Dinars (RSD) in the airport exchange office (1 EUR = ca. 80 RSD today). You should go with this bus to its' last stop **Slavija Square**.

Here, you have to go counter clockwise and cross the **Beogradska** Street and take the bus No. 31 or trolleybus No. 19, 21, 22, 29 (black line on the map). Before that, you should buy a Belgrade City Transport ticket in any kiosk (where they sell newspapers) for 29 RSD (or in the bus for 40 RSD). Any ticket must be validated in the bus in special machines. The ticket is valid only in that bus and for that ride.

For Royal Hotel, you should leave a bus at the last stop Studentski trg, and then go forward on the second corner right.

Using Taxi

Taxi could be rather expensive if you do not use Official Belgrade Taxi. If you decide to take a taxi ride, please consider calling taxi dispatcher on phone number 9801 (Official Belgrade Taxi) and schedule a drive. Drive from airport to any location in town should be charged 800 RSD = ca 10 EUR (assuming that you are using Official Belgrade Taxi).

Using Belgrade City Transport

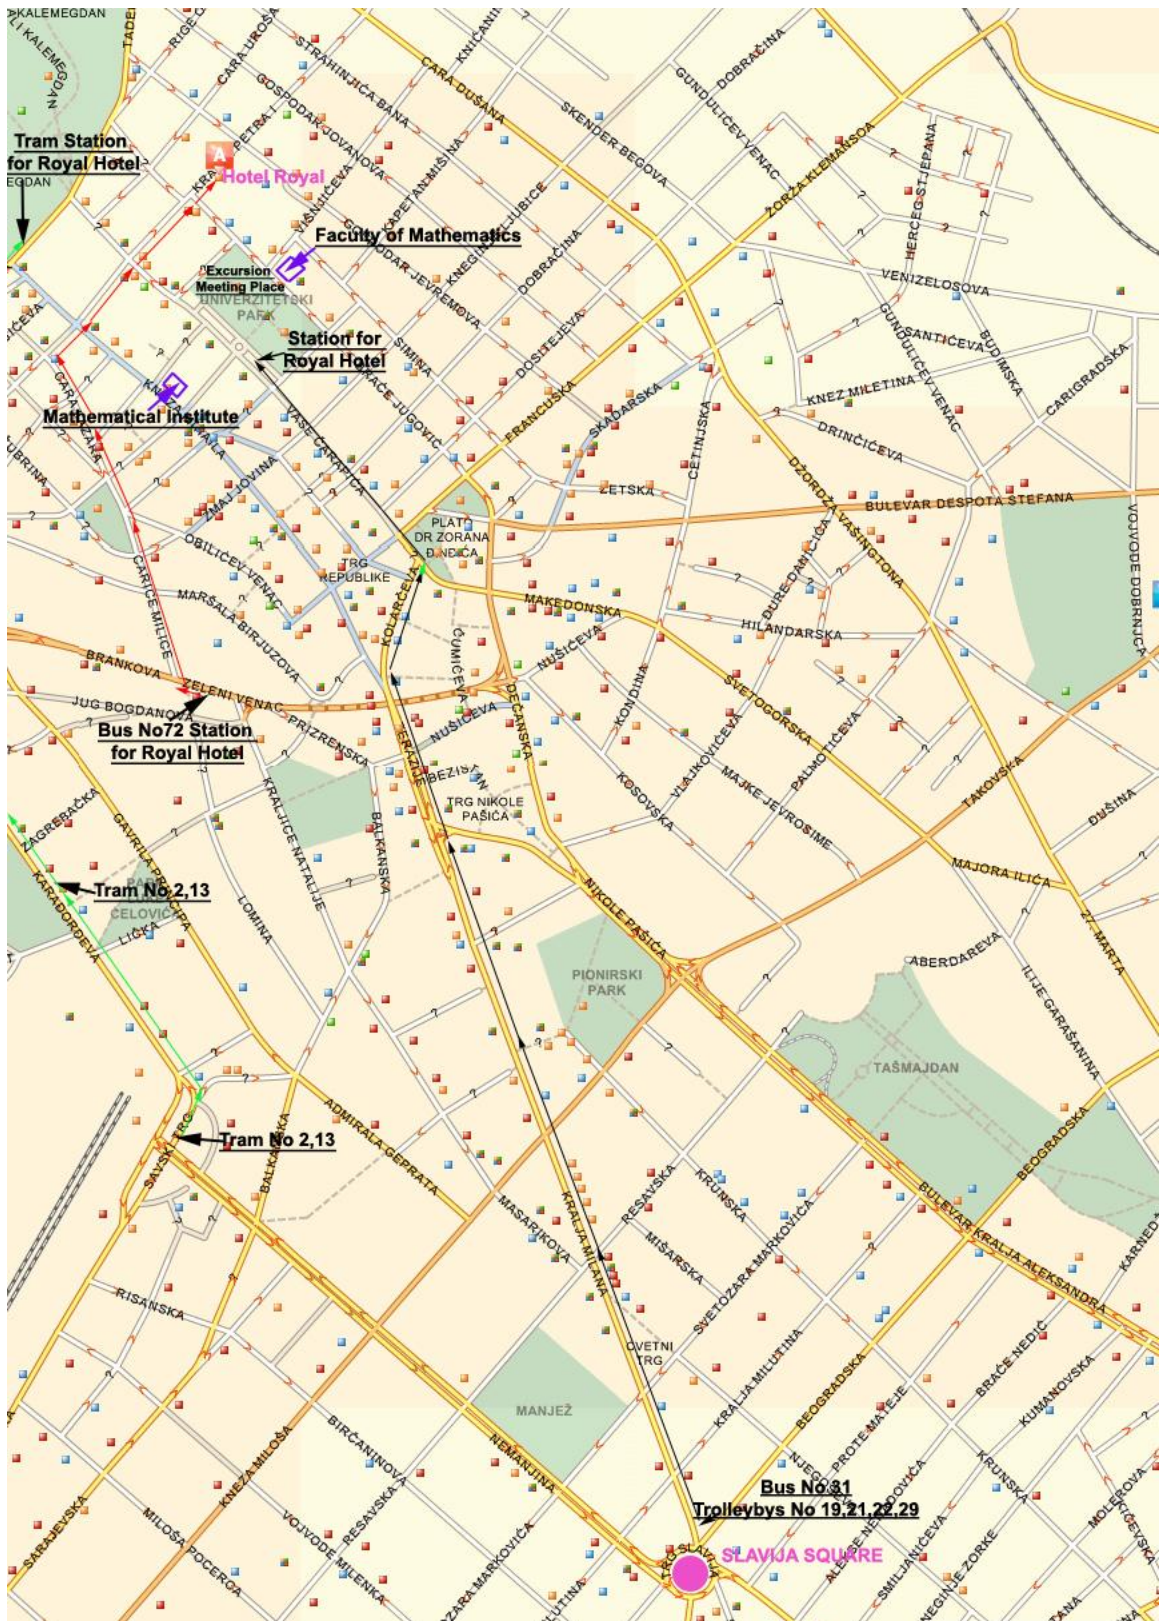

Another way is using Belgrade City Transport bus No. 72. Like JAT Airways buses, these buses have their station just at the entrance to the airport building. A ticket price for these buses is already mentioned above (29 RSD if you buy ticket in kiosk or 40 RSD in the bus). You should go with this bus to its' last stop **Zeleni Venac**.

The best way to reach Royal Hotel from Zeleni Venac is on the foot. You should cross Brankova Street, go up Carica Milica Street which continues in Cara Lazara Street and turn right in Kralja Petra Street, go straight to Royal Hotel; you should cross Knez Mihailova Street and Uzun Mirkova Street (red line on the map).

Please find more details on the map

Legend:

- *black line – bus and trolleybus lines (31, 19, 21, 22, 29)*
- *green line – tram line (2, 13)*
- *red line – foot line*

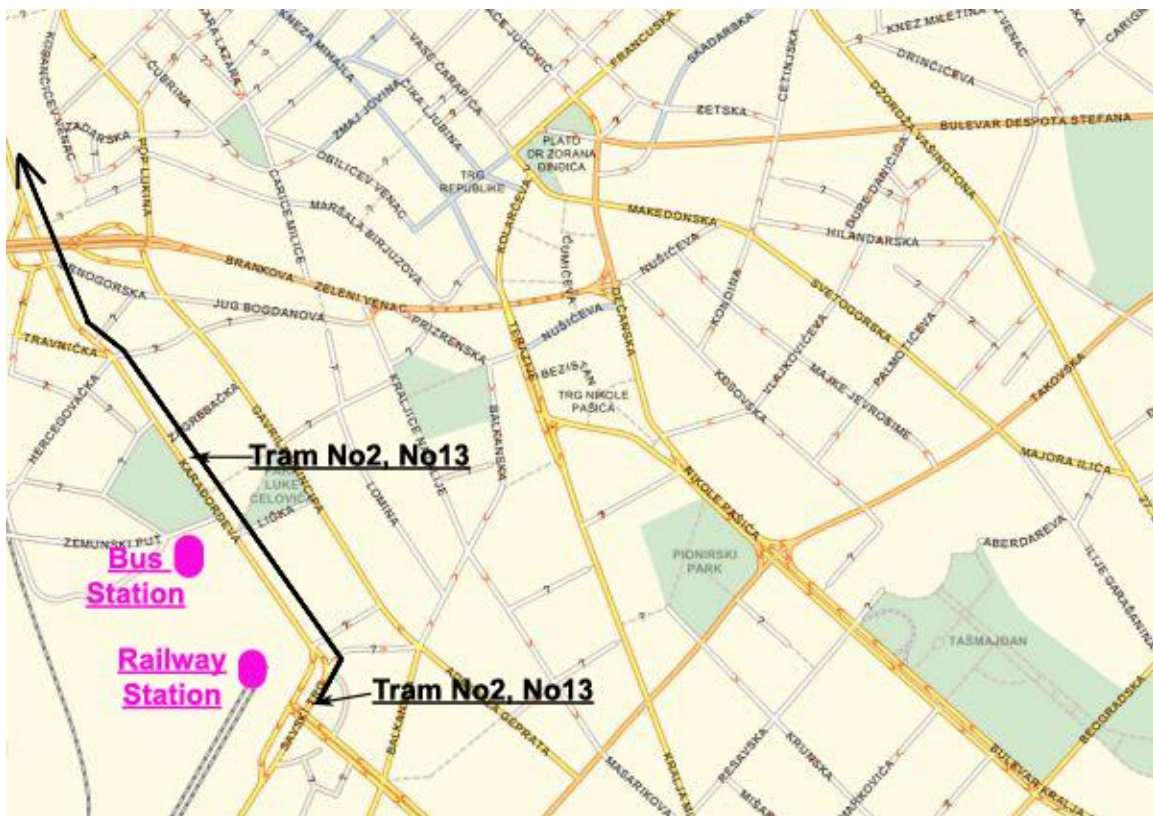

Traveling from the Belgrade Railway/Bus Station to your hotel

The best way to reach Royal Hotel is to use Belgrade City Transport.

If your start position is Railway/Bus station, you have to cross the **Savski Trg / Karadjordjeva** Street and take the tram No.2 or No.13 (direction you can see on the map) and leave the tram at Kalemegdan, then cross the Pariska Street, go forward, on the second corner right and go straight to Royal Hotel.

Before that, you should buy a Belgrade City Transport ticket in any kiosk for 29 RSD (or in the bus for 40 RSD). Any ticket must be validated in the bus in special machines. The ticket is valid only in that bus and for that ride.
